

# Information Video for Transition to Pathfinder

**Project Guidelines:** You will be working with a group to make an informational video for the 6th graders transitioning to Pathfinder. You **MUST** take this seriously! Each group will come up with a scenario based on the topic given and create an informational video about the topic. You will need to complete a storyboard before filming the video and it must be approved by the teacher.

## Topics Include:

1. Lunch Time
2. Cell phones & chromebooks
3. Teachers & Binder Systems
4. After school activities (homework help, Tasch techies, cyber security, sports teams, etc...)
5. Electives
6. Friends, lockers, hallways, how is Pathfinder different

## Project Highlights:

- Planning guide must be complete.
- You must have a storyboard completed and signed.
- Each video should be 3-5 minutes in length.
- Each person in your group must have a role.
- Must be completed by Thursday, February 23rd

**Grade:** You will be graded on the information you present and how it's presented.

- Did you take the assignment seriously?
- Did you present the information in a creative, yet serious way?
- Is your video 3-5 minutes long?
- Did each person have a role in the project?
- Did each person complete the planning guide and the storyboard?
- Did your video get turned in ON TIME?
